

WVSR INC. Limited Lifetime Warranty Certificate For West Virginia Split Rail Treated Pine Posts

WVSR INC, subject to the conditions and limitations listed herein, which have been accepted by the homeowner's purchase and acceptance of the treated pine post, warrants its pressure treated pine post to be free from natural attrition due to decomposition for the lifetime of the original homeowner with proof of purchase. This warranty is not transferable.

The terms set forth are the sole obligation of WVSR, INC. under this Limited Lifetime Warranty Certificate. If the treated pine post is defective due to decomposition, WVSR INC, at its sole discretion, has the option to replace the treated pine post, free of charge, or to reimburse the original homeowner the original purchase price. WVSR, INC, shall in no event be liable for the expenses or charges in connection with shipment, installation or any other expenses associated with the working or handling of the original or replacement treated pine post.

WVSR, INC. shall have no liability, under this warranty, for defects caused by abuse, improper installation or improper use; nor does this warranty apply to the natural tendency of some wood to check, twist or discolor.

WVSR INC. shall have no liability, under this Limited Lifetime Warranty Certificate for defects caused by abuse, accident, improper installation or improper use of the treated pine post by the original homeowner, or anyone else. WVSR, INC. shall have no liability under this Limited Lifetime Warranty Certificate as the result of the natural tendency of some wood to check, twist or discolor.

This Limited Lifetime Warranty Certificate shall not cover any incidental damage of any kind to persons, property or livestock.

The entire Limited Lifetime Warranty Certificate may be viewed by going to the the WVSR INC website at www.wvsr.com.
